

I am committed to making District 7 the best place to live, work and do business in San Jose.

My family has lived in District 7 for over 12 years. As a business owner and community leader, I know the challenges families face in our community.

As a community leader, I have served San Jose as a Commissioner on the Small Business Development Commission, a member of the San Jose Rotary Club, member of the Board of Directors of Breathe California, as Vice President of the Vietnamese American Committee Action Team, and as a member of the Evergreen Business and Professional Association. My strong sense of commitment to District 7 has won much support from other community leaders.

With my Economics degree from U.C. Berkeley, business experience coupled with vast leadership experience, now is the time for me to give back to our community, to be your advocate at City Hall. It is time for all of us to demand that we be able to raise our families free from gang violence, free from neglect, and to elect leaders that truly reflect the will and the best interests of the people of District 7. Therefore, I respectfully ask for your vote.
